Subject: Reproductive Health Services, Family Planning Only Program, and TAKE CHARGE Program: Coverage and Fee Schedule Changes

Retroactive to dates of service on and after January 1, 2007, the Health and Recovery Services Administration (HRSA) has implemented coverage of a new contraceptive and associated insertion/removal codes.

What has changed?

HRSA pays for the contraceptive implant system, Implanon. To bill for Implanon, providers must:

- Bill for the Implanon product using HCPCS code S0180.
- Use CPT procedure code 11981 with ICD-9 diagnosis code V25.5 for the insertion of the device; or
- Use CPT procedure code 11982 with ICD-9 diagnosis code V25.43 for the removal of the device; or
- Use CPT procedure code 11983 with ICD-9 diagnosis code V25.43 to remove the device with reinsertion on the same day; and
- Enter the NDC in Box 19 on the 1500 Claim Form and send in an invoice with each bill listed above.

Note: HRSA pays for Implanon only once every three years, per client.

Fee Schedule

- You may view HRSA's Family Planning Fee Schedule on-line at <http://maa.dshs.wa.gov/RBRVS/Index.html>
- For a paper copy of the fee schedule, see "How can I get HRSA's provider document?" on the last page of the memorandum.

National Correct Coding Initiative

HRSA continues to implement the National Correct Coding Initiative (NCCI) policy. The Centers for Medicare and Medicaid Services (CMS) created this policy to promote national correct coding methods. NCCI assists HRSA to control improper coding that may lead to inappropriate payment. HRSA bases coding policies on:

- The American Medical Association's (AMA) Current Procedural Terminology (CPT[®]) manual;
- National and local policies and edits;
- Coding guidelines developed by national professional societies;
- The analysis and review of standard medical and surgical practices; and
- Review of current coding practices.

HRSA may perform a post-pay review on any claim to ensure compliance with NCCI. Visit the NCCI on the web at <http://www.cms.hhs.gov/NationalCorrectCodInitEd/NCCIEP/list.asp>.

How do I conduct business electronically with HRSA?

You may conduct business electronically with HRSA by accessing the WAMedWeb at <http://wamedweb.acs-inc.com>.

How can I get HRSA's provider documents?

To obtain DSHS/HRSA provider numbered memoranda and billing instruction, go to the DSHS/HRSA website at <http://hrsa.dshs.wa.gov> (click *the Billing Instructions and Numbered Memorandum* link). These may be downloaded and printed.
